Thank You For Your Membership

Dear M. H. JANY,

Welcome to IEEE. Attached is your 2016 membership card. We hope that your IEEE experience will be rewarding for years to come.

You are also now a member of the IEEE Student Branch at your institution, if one has been established. There, you can form productive relationships, compete in exciting challenges, and develop leadership skills.

At your local IEEE Section, you can connect with industry professionals who can provide valuable insights into the current job environment. You can find your local Section contacts in myIEEE at www.ieee.org/myIEEE.

Please create your own Technical Interest Profile at www.ieee.org/profile. You will need your IEEE Account to sign in. Here you can also update your professional and education information, as well as manage communication preferences. This information will allow IEEE to provide you with timely and relevant information about your particular areas of interest.

Enclosed are recommendations on how to get the most from your membership. Thank you for choosing IEEE as your technical professional organization—and for making an investment in your future.

Sincerely,

Cecelia Jankowski
Managing Director - IEEE Member and Geographic Activities
