CALL FOR PAPER

The 19th International Conference on Computer and Information Technology 2016 (ICCIT 2016) at North South University (NSU) welcomes and encourages the submission of accurate and relevant papers of original, unpublished work in various fields of Computer Science/Engineering, Information and Communication Technology.

ICCIT 2016, co-sponsored by IEEE Bangladesh section, is the largest technical event on Computer Science and Engineering, Information and Communication Technology in Bangladesh. The focus of the conference is to establish an effective platform for institutions and industries to share ideas and to present the works of scientists, engineers, educators and students from all over the world. The proceedings of the conference will be published in the form of Book (including in IEEE Xplore) and CDROM.

Major tracks of interest include, but not limited to, are:

Algorithms	Embedded System and Software	Neural Networks
Artificial intelligence	E-commerce and E-governance	Optical Fiber Communication
Bio-informatics	Fuzzy Systems	Pattern Recognition
Bangla Language Processing	Gaming	Parallel and Distributed Systems
Computer Vision	Grid and Scalable Computing	Quantum Computing
Computer Graphics and Multimedia	Human Computer Interaction	Robotics
Computer Based Education	Intelligent Information Systems	Reliability Engineering
